

# Adventure Extension Tour

05 September to 08 September 2022

ITINERARY - 4 DAYS / 3 NIGHTS

To experience the true Jordan, one must see its nature. Meet the Bedouins out in Wadi Rum, take a dip in the Dead Sea, and hike through canyons and gorges on this exciting extension.

## Day 1: 05 September – Wadi Rum Desert

Vast, echoing and god-like is how T.E. Lawrence described the Wadi Rum desert, also known as Valley of the Moon, and now it's our turn to get lost in this stunning desert and sleep under the stars. After breakfast, we leave Petra and drive to the magnificent Wadi Rum desert. It was here the British army officer T. E. Lawrence gathered the Arab tribes to revolt against the Ottoman Turkish rule during World War I, a story that reached world fame in the movie "Lawrence of Arabia".

From the Wadi Rum Visitors Centre, you will be transferred onto a jeep to go on a tour in the desert past sand dunes and incredible rock formation. After a cup of tea made by Bedouins, the tour ends with dinner and overnight in Sun City Bedouin Camp with the choice of a Bedouin Tent or upgrade to a Star Tent Dome (extra cost \$147 pp twin share or \$294 single).

*Meals included: Breakfast, Lunch, and Dinner.*

## Day 2: 06 September – Dana Valley and White Dome Trail

Enjoy breakfast Bedouin style before the jeeps bring everyone back to the Visitors Centre followed by a bus trip to the village of Tafilah. From here everyone takes part in an 8km hike through Dana Valley – one of Jordan's premier nature reserves. The trail contours the huge escarpments of Wadi Dana and offers breathtaking views of the canyon-like valley while passing through village terraced gardens. After approx. 4 hrs where we drive to Grand East Hotel Dead Sea for the night.

*Meals included: Breakfast and Lunch.*

## Day 3: 07 September – Wadi Mujib and Amman

After breakfast enjoy a free day at the Dead Sea. After lunch we drive to Wadi Mujib gorge, in many ways similar to the Siq in Petra - narrow and with towering cliffs rising on both sides. Through the gorge runs the Mujib River and this unique nature reserve is home to over 400 species of plants, more than a 100 species of birds and animals like the Nubian Ibex, Red Fox, Hyena, Jackal, Wild Cat, Caracal, Badger, Mongoose, Wolf and Arabian Leopard.

We will see the Wadi Mujib on the 2-hour hike and swim through the river and nature reserve. Please note that while this hike is rated easy-moderate, the depth of the pools can vary depending on seasonal conditions. Thus, anyone going on this trail must be at least 18 years old and capable of swimming.

*Meals included: Breakfast and lunch..*
