

# Big Five Marathon

7 DAYS / 6 NIGHTS

18 June 2022

The Big Five Marathon is an exclusive event that combines a challenging running experience with a classic African safari vacation.

The event is held among the wildlife of the African savannah. In one of the most spectacular game reserves in Africa the challenging route goes right through the habitat of the African game, including the famous Big Five: Elephant, Rhino, Buffalo, Lion and Leopard. No fences, no rivers, nothing at all separates the runners from the African wildlife!

There is the option to participate in a half marathon or marathon distance.
