

# Boston Marathon Accommodation

17 April 2023

Travelling Fit is pleased to advise that once again we are the Official Tour Operator for this extremely popular event and have secured a limited number of hotel rooms located close to the marathon start transfer point and finish area.

The Boston Marathon is the world's oldest annual marathon and ranks as one of the world's most prestigious road racing events. The historic course is a point to point event starting in the rural New England town of Hopkinton and finishes in Boston.

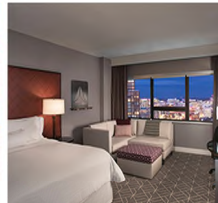

Even though race registration is closed and race entries are sold out, Travelling Fit is delighted to be able to offer a four (4) night accommodation package to those participants seeking a conveniently located hotel whilst still being part of the Travelling Fit family. Additional nights can be arranged on a request basis.
