

# Big Five Marathon

6 DAYS / 5 NIGHTS

19 June 2021

The Big Five Marathon is held in the African savannah, among some of the area's unique wildlife. Marathoners from all over the world will converge on one of the 'Big Five' game reserves in Africa to enjoy this exceptional race. The course of the Big Five Marathon runs through the Entabeni private game reserve in the Limpopo Province, located between Johannesburg and the Kruger National Park. Even though the course runs directly through 'lion land', safety problems are not an issue as the route is watched by helicopters and armed rangers.
