BASIC ACCOMMODATION

4 DAYS / 3 NTS

TWIN SHARE

\$1100 AUD

SINGLE

\$1435 AUD

This extension includes a visit to the Nat Ma Taung National Park, rich in rare and beautiful fauna and flora, which earned it a status of Outstanding Universal Value by Unesco

Quiet and relaxing walks on the small town of Kanpetlet and surrounding villages, through small churches and homesteads, where the older local women of the Dai, Upu and Ya ethnic tribes sport intricate tattooed patterns on their faces... and a 3-hour hike up Mount Victoria's upper path, with an incredible sight once exiting the forest. Also known as Nat Ma Taung in Burmese, it is the highest mountain in the Chin State and third tallest in Myanmar, located at 3,053m above sea level.

### Important Notes

A trip to Mount Victoria must be regarded as an adventure tour because of the prevailing travel conditions: substandard accommodation with infrequent electricity supply, roads in a challenging or poor condition. Itineraries may have to be changed on the spot because of weather, transportation problems, etc. It is essential that all guests visiting Mount Victoria are fully aware of travel conditions as described above.
