# Bagan Temple Marathon Optional Day Tours

Balloons over Bagan - 28 November 2021

**DURATION: 3 HOURS (45 MINS IN THE AIR)**

**PER PERSON**

**\$ 567 AUD**

On this unique excursion, the gentle wind will take the role of commander, guiding you through a serene and peaceful sight-seeing journey of Bagan's temples and landscapes.

Your day will begin with an early ride from your hotel on one of the vintage buses dedicated to the journey, and upon arrival to the location, snacks, coffee and tea will be expecting you. As you enjoy the refreshments, you will be able to witness the preparation process of the balloons being inflated. This is followed by a safety briefing and then, at dusk, it is time for take-off!

The balloons are piloted at no more than 15mph by skilled professionals with years of experience, who also enjoy narrating the speed/direction strategies of steering the balloon. This experience provides an ever-changing perspective of the archaeological sites and beauty of Bagan you won't be able to seize otherwise. Please note that due to the limited space in the basket, there are weight and height requirements.

After a graceful landing of the balloons, staff will be waiting for you with fresh pastries, fruits, and a glass or two of sparkling wine to conclude this excursion with a celebration of your flight.
