

Athens Marathon The Authentic

10 November 2024

The Athens Classic Marathon celebrates Pheidippides run from Marathon to Athens, which went down in history and gave its name to the race and distance we now know as the Marathon.

With thousands of years of history and mythology, Athens is the birthplace of the ancient and modern Olympic Games. The course is the Classic Olympic Course, the same as the one in the first contemporary Olympic Games in 1896 and the official Olympic Course of Athens 2004. It starts from the Marathon Village and ends at the Panathinaiko Stadium, Athens centre.

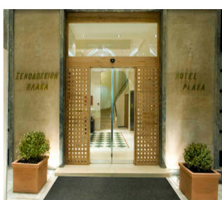

We are delighted to say that Travelling Fit has been taking people to this event for 18 years. We have a 5 Day/4 Night package which includes the best of Athens and our 7 Day / 6 Night package lets you explore further into the wonders of Ancient Greece. Take advantage of booking one of our exciting Optional Tours to complete your travels.
