

Big Five Marathon

19 June 2027

The Big Five Marathon is an exclusive event that combines a challenging running experience with a classic African safari vacation.

The event is held among the wildlife of the African savannah. In one of the most spectacular game reserves in Africa the challenging route goes right through the habitat of the African game, including the famous Big Five: Elephant, Rhino, Buffalo, Lion and Leopard. No fences, no rivers, nothing at all separates the runners from the African wildlife!

There is the option to participate in a half marathon or marathon distance.

WILDSIDE CAMP – LOWER ESCARPMENT

FROM \$6365 AUD

This is a real African Bush Camp. The tents are big and include a bathroom en-suite. The tents are lifted from the ground on a wooden terrace and furnished with double or twin beds, chairs, a closet, and safari chairs on the terrace. There is electricity around the clock.

The camp is not fenced and lies at the foot of the mountain range. Staying at the Wildside camp is a real African bush experience: A large pride of lions is often spotted in the surrounding area, and it is not uncommon to find lion tracks outside the tents in the morning.

The drive from the camp to the start and finish of the race and route inspection is approximately 40 mins going through the game park.

LAKESIDE LODGE – UPPER ESCARPMENT

FROM \$6880 AUD

Set on the banks of the 1.7km lake, this thatch and stone lodge provides a memorable blend of luxury and wilderness with the awe-inspiring Entabeni Mountain as a backdrop. The location is only a few metres away from the start and finish line of the marathon and half marathon.

All rooms are elegantly furnished and are linked with thatched walkways to the reception, restaurant, and boma.

LEGEND SAFARI RESORT – OUTSIDE ENTABENI

FROM \$6537 AUD

The resort is located just outside the Entabeni Safari Conservancy, but it has easy access to the game park as the resort borders the Lower Escarpment Gate. Glass sliding doors lead onto a secluded outdoor patio where you can enjoy a good book or your morning coffee.

The beautifully designed bedrooms include a small seating area and luxurious en-suite bathroom with a spacious shower and separate bath. Wake up to the sight of impalas and zebras strolling by your window and go for leisurely shake-out runs on the lush grounds belonging to the resort.

The drive from the resort to Lakeside Lodge (start and finish of the race and route inspection) is approximately 60 mins going through the game park.
