Let the adventure begin! After arriving in Johannesburg, South Africa, the race officials will greet you with big smiles at the airport and take you to your chosen lodge or camp at Entabeni Game Reserve. The set transfer departure times from the airport are: 8.30am, 10.00am, 12.00pm, 2.00pm and 4.00pm. If none of these transfers fit with your arrival, it is strongly recommended that you overnight at Johannesburg airport the night prior.

Upon arrival to Entabeni, you will meet your tour leader and be checked in at your respective lodge/camp. Participants arriving on the earlier transfers will have the possibility to go on the first of several exciting game drives. The game drives will provide the opportunity to experience an authentic African safari in serene surroundings. The Entabeni Game Reserve offers diverse wildlife, open safari vehicles and relatively few tourists, creating an ideal wilderness atmosphere.

Meals: Dinner.

Day 2 - Thu 17 June: Explore Entabeni: Game Drives, Bush Walk, and Warm Up Run

Day two kicks off the thrill with a deep dive into the wild! Today you will explore the magic of the Entabeni Game Reserve, with a sunrise or sunset game drive and an up-close bush walk with an experienced ranger. You will get accustomed to the park's geography, and climate, and you can slowly start preparing yourself for Saturday's exciting event: The Big Five Marathon.

The game drive is included in the itinerary and will take place either in the early morning or in the late afternoon. A bush walk with an experienced armed ranger is also included during your stay, giving you a chance to get really close to the nature and wildlife. During the game drive you get the chance to spot South Africa's most iconic animals, such as elephants, giraffes, antelopes, and even a pride of lions blocking our path. 4x4 safari vehicles are used, which provide an excellent opportunity for viewing the wildlife in safety. Don't worry, you'll be in good hands with the experienced park rangers.

Want to stretch out those legs? The tour guide can help you arrange a light warm up run around the area.

PLEASE NOTE: June is winter in South Africa and while the temperature often rises to 20-25 degrees Celsius during the day, temperatures around 0 degrees Celsius at nighttime is not unusual!

Meals: Breakfast, Lunch, Dinner.
