Boston Marathon

19 April 2027

Travelling Fit is excited to announce that as the Official Tour Operator for the 2027 Boston Marathon, we have once again secured an extremely limited number of Special Invitation Race Entries to the world's oldest marathon, the Boston Marathon.

The Boston Marathon ranks as one of the world's most prestigious road racing events. The historic course is a point-to-point event starting on Main Street in the rural New England town of Hopkinton and follows Route 135 through Ashland (the original 1897 starting point), Framingham, Natick, Wellesley and then into Boston.

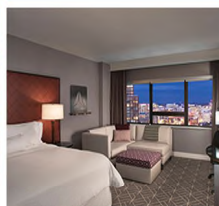

We are delighted to be able to offer a four (4) night Marathon package to include guaranteed race entry, accommodation which is conveniently located within walking distance to the finish area, as well as our own exclusive pre marathon dinner and post celebration function, and much more.
